Income Level Totals					71,666	34,261	\$68,903	28,524	23,600	\$85,746	157.24
Assessment Area Totals					251,377	103,126	\$52,084	77,829	71,823	\$60,260	110.51

* Median Income for totals is calculated as weighted average of households.

** For non-metro tracts the figure is the percent of tract median income to its state non-metro median family income. For totals, this variable is calculated as the weighted average by total families.
